

NASHVILLE YOUTH SPORTS CLUB (NYSC) CLUB POLICIES

These policies are put in place to ensure the absolute best sports environment for your son/daughter. It is important that ALL club participants and parents adhere to these policies so that coaches can focus on the long-term development of young athletes. Failure to adhere to these policies may result in your son/daughter being asked to leave the club.

COMMUNICATION

- To ensure clear, club-wide communication, it is important to follow the proper channels as shown in the graphic below
- If parents/players have concerns or questions relating to club activities, they should set up a meeting with their head coach. If further action is still needed, the parent/player should set up a meeting with the club director and head coach
- 24-Hour Rule: Parents should not approach a coach after a game to discuss playing time or other concerns. You are required to wait 24 hours after the game and set up a time to meet with the coach.

PLAYING TIME

- NYSC travel teams are competitive, and equal playing time is certainly not guaranteed

CONDUCT

- At all times, club athletes and parents are expected to respect coaches, athletes, officials, and other parents
- Parents are asked to support and encourage each athlete as they develop mentally, athletically, spiritually, and socially
- Cheer in an encouraging manner from the sidelines
- No individual, other than an NYSC Coach, should coach from the sidelines. This allows each player to focus on the game and enjoy playing without unneeded pressure and distractions. If a parent or player disagrees with a coaching decision, please follow channels of communication found on page 1 to resolve the issue

COMMITMENT

- Signing up to play on an NYSC team and/or program requires a commitment from the parents and the player
- Except for an emergency, each player is required to attend all practices and games. If a player cannot attend a practice, please give a 24-hour notice to your coach. If you will not be able to attend a game(s), please give a 2-week notice to your coach
- Upon registering, each NYSC player is committing to play on the team for the entirety of the season. Unless a written release is given by the coach or club director, no player will be allowed to play for another program or team during the same time period

- Parents/guardians are responsible for getting their child to and from games/tournaments

TEAM SELECTION AND PLAYER MOVEMENT

- NYSC works hard to accurately place each player on a team that is skill-level appropriate. Our goal is to place players on teams that best sets them up for long-term success
- After a player is notified of team placement, he/ she will have 72 hours to accept that position by paying the club registration fee. If the registration fee has not been paid within 72 hours, the open spot will be extended to another player
